**Puerto Rico Public Buildings Authority
Government Facilities Revenue Refunding Bonds, Series Q
Guaranteed by the Commonwealth of Puerto Rico**

The Puerto Rico Public Buildings Authority Government Facilities Revenue Refunding Bonds, Series Q (the "Bonds") are being issued by Puerto Rico Public Buildings Authority (the "Authority") pursuant to Act No. 56 of the Legislature of Puerto Rico, approved June 19, 1958, as amended ("Act No. 56"), and under the provisions of Resolution No. 468, adopted by the Authority on June 22, 1995, as amended or supplemented (the "1995 Bond Resolution").

The Bonds, the outstanding bonds of the Authority previously issued under the 1995 Bond Resolution, and any additional bonds that the Authority may from time to time issue under the 1995 Bond Resolution are payable from, and are secured by a pledge of, the rentals of government facilities financed or refinanced by such bonds and leased by the Authority to departments, agencies, instrumentalities and municipalities of the Commonwealth of Puerto Rico (the "Commonwealth").

The Bonds are further secured by the guaranty of the Commonwealth under which the Commonwealth pledges to draw from any funds available in the Department of Treasury of the Commonwealth (the "Treasury") such sums as may be necessary to cover any deficiency in the amount required for the payment of principal of and interest on the Bonds. The good faith and credit of the Commonwealth, as in the case of the Commonwealth's general obligation bonds, are pledged for such payments.

The Bonds will have the following characteristics:

- The Bonds will be dated their date of delivery.
- The Bonds will be registered under The Depository Trust Company's book-entry only system. Purchasers of the Bonds will not receive definitive Bonds.
- Interest on the Bonds will be payable on January 1, 2010 and on each July 1 and January 1 thereafter.
- The Bonds are subject to redemption as described herein.
- The inside cover page contains information concerning the maturity schedule, interest rates, and yields of the Bonds.
- The issuance of the Bonds and the purchase of the Bonds by the Underwriters are subject to the approval of legality by Nixon Peabody LLP, New York, New York, Bond Counsel, and certain other conditions.
- In the opinion of Bond Counsel, under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the Authority and the Commonwealth, interest on the Bonds is excluded from gross income for Federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Bond Counsel is further of the opinion that, interest on the Bonds is exempt from state, Commonwealth and local income taxation. See *Tax Matters*, beginning on page 32 of this Official Statement, regarding certain other tax considerations.
- McConnell Valdés LLC, San Juan, Puerto Rico will pass upon certain legal matters for the Underwriters.
- It is expected that settlement for the Bonds will occur on or about October 28, 2009.

As of June 30, 2009, Government Development Bank holds approximately \$181 million of the Port of the Americas Authority's outstanding bonds, which are guaranteed by the Commonwealth. The Port of the Americas Authority is authorized to issue and Government Development Bank is authorized to purchase its bonds guaranteed by the Commonwealth in a maximum aggregate principal amount of \$250 million. The proceeds from these bonds will be used to continue the development of the Port of the Americas. No payments under the Commonwealth guaranty have been required for these bonds. See "Other Public Corporations—Port of the Americas Authority" under *Public Corporations* in the Commonwealth Report.

As of June 30, 2009, the aggregate outstanding principal amount of obligations of the Puerto Rico Aqueduct and Sewer Authority ("PRASA") guaranteed by the Commonwealth are \$912 million. This amount consists of \$284.7 million in revenue bonds sold to the public, \$309.8 million in bonds issued to the United States Department of Agriculture, Rural Development, and \$317.5 million of loans by the State Revolving (Clean Water and Safe Drinking Water Act) Funds for the benefit of PRASA. From January 1997 through fiscal year 2005, the Commonwealth made debt service payments under its guaranty. Beginning with the debt service payment due January 1, 2006, the Commonwealth stopped making guarantee payments on these obligations and PRASA resumed making payment on this debt. In the event PRASA is unable to make any portion of the future debt service payments on its guaranteed obligations, the Commonwealth would be required once more to make such payments from the General Fund under its guarantee. See "Other Public Corporations—Puerto Rico Aqueduct and Sewer Authority" under *Public Corporations* in the Commonwealth Report.

PROGRAMS AND FACILITIES OF THE AUTHORITY

The Authority has an approximately \$437 million Four-Year Capital Improvement Program (the "CIP"), which reflects the Authority's construction priorities for fiscal year 2009 through fiscal year 2013. The CIP includes office buildings, school buildings, health facilities, correctional facilities, and other facilities, as described below. A portion of the facilities were financed with revenue bonds issued and currently outstanding under the 1995 Bond Resolution (collectively, the "Outstanding Government Facilities Bonds"). The remainder of the costs of the CIP will be paid for through interim financings, future bond issues (subject to the limitations of the Guaranty Act) and Commonwealth appropriations.

Office Buildings Program

Under its office buildings program, the Authority has completed construction of 333 office buildings (including police stations, courthouses, and related parking facilities), amounting to approximately 7.3 million square feet of rentable space, for the use of and lease to various departments, agencies and instrumentalities of the Commonwealth. As of June 30, 2009, the estimated total cost of construction completed under the office buildings program was approximately \$555 million, which was provided principally by the Authority through the issuance of Public Buildings Authority Revenue Bonds under the 1970 Bond Resolution and Government Facilities Bonds under the 1995 Bond Resolution.

The Authority has under planning and construction three police facilities, one fire station, one parking facility, and improvements to 43 office buildings, at an estimated total cost of \$101 million.

The currently outstanding Public Buildings Authority Revenue Bonds issued under the 1970 Bond Resolution and Government Facilities Bonds issued under the 1995 Bond Resolution are secured by a pledge of the rentals of public buildings and related facilities financed by such bonds. In addition, these obligations are secured by a pledge of the Commonwealth to pay or advance rentals under the Enabling Act and the Commonwealth guaranty of bonds issued by the Authority under the Guaranty Act. The Authority reserves the right to issue additional Revenue Bonds and Government Facilities Bonds to provide for the payment of any then outstanding notes issued in connection with or the cost of construction of any facilities included in the office buildings program.

School Buildings Program

Under its school buildings program, the Authority has completed the construction of 610 school building projects, amounting to approximately 21.2 million square feet of rentable space, all of which have been leased to the Department of Education. As of June 30, 2009, the estimated total cost of construction completed under the school buildings program was \$2.36 billion, which was provided principally by the Authority through the issuance of Public Buildings Authority Public Education and Health Facilities Bonds under the 1978 Bond Resolution and Government Facilities Bonds under the 1995 Bond Resolution.

The Authority has under planning and construction 16 new school buildings and improvements to 18 school buildings amounting to approximately 1.16 million square feet of rentable space to be leased to the Department of Education. The estimated total cost of construction of such school buildings and improvements is \$337 million.

The currently outstanding Public Buildings Authority Public Education and Health Facilities Bonds issued under the 1978 Bond Resolution and Government Facilities Bonds issued under the 1995 Bond Resolution are secured by a pledge of rentals of public education and health facilities financed by such bonds. In addition, they are secured by a pledge of the Commonwealth to pay rentals under the Enabling Act and the Commonwealth guaranty of bonds issued by the Authority under the Guaranty Act. The Authority reserves the right to issue additional Public Education and Health Facilities Bonds and Government Facilities Bonds to provide for the payment of any then outstanding notes issued in connection with or the cost of construction of any facilities included in the school buildings program.

Health Facilities Program

Under its health facilities program, the Authority completed construction of 18 health facilities, amounting to approximately 1.5 million square feet of rentable space, all of which has been leased to the Department of Health. As of June 30, 2009, the estimated total cost of construction completed and owned by the Authority was \$203 million, which was provided principally by the Authority through the issuance of Public Buildings Authority Public Education and Health Facilities Bonds under the 1978 Bond Resolution.

The currently outstanding Public Buildings Authority Public Education and Health Facilities Bonds issued under the 1978 Bond Resolution and Government Facilities Bonds issued under the 1995 Bond Resolution are secured by a pledge of rentals of public education and health facilities financed by such bonds. In addition, they are secured by a pledge of the Commonwealth to pay rentals under the Enabling Act and the Commonwealth guaranty of bonds issued by the Authority under the Guaranty Act. The Authority reserves the right to issue additional Public Education and Health Facilities Bonds and Government Facilities Bonds to provide for the payment of any then outstanding notes issued in connection with or the cost of construction of any facilities included in the health facilities program.

Correctional Facilities Program

In 1994, the Department of Correction, in cooperation with the Authority, began a program to provide for the construction, operation and maintenance of new Commonwealth correctional facilities to be leased to the Department of Correction by the Authority. These facilities were constructed as part of the Commonwealth's effort to alleviate overcrowding in its correctional system and achieve compliance with certain federal court mandated minimum inmate living space requirements. The Authority has completed the construction of 9 correctional facilities at an approximate cost of \$287 million, which facilities are operated by the Department of Correction.

Other Facilities

The Authority also constructs office buildings, schools and health facilities that are financed by a combination of federal grants and Commonwealth appropriations. The Authority is also empowered to undertake construction on behalf of and as an agent for other public agencies of the Commonwealth.

Under the Enabling Act, the Authority is also empowered to construct social welfare facilities. Any such facilities that may be constructed can be financed by bonds of the Authority under the 1995 Bond Resolution. The Authority has not issued any bonds or other obligations to finance such facilities.

DEBT OF THE AUTHORITY AND DEBT SERVICE REQUIREMENTS

Debt

The following table sets forth the outstanding debt of the Authority:

	As of July 1, 2009 ⁽¹⁾	As Adjusted ⁽²⁾
Bonds outstanding under the 1970 Bond Resolution	\$ 43,380,000	\$ 43,380,000

Bonds outstanding under the 1995 Bond Resolution	2,925,884,085	3,078,424,085
Total bonded debt ⁽³⁾	<u>\$ 3,001,849,085</u>	<u>\$ 3,154,389,085</u>

(1) Calculated by excluding all interest accretion on outstanding capital appreciation bonds and convertible capital appreciation bonds from their respective dates of issuance. These amounts do not reflect Government Development Bank's interim financing of the Authority's CIP.

(2) Reflects the outstanding debt of the Authority after giving effect to the issuance of the Bonds (calculated by excluding all interest accretion on outstanding capital appreciation bonds and convertible capital appreciation bonds from their respective dates of issuance).

(3) Totals may not add due to rounding.

The Authority has caused to be deposited to the credit of the respective reserve accounts under the 1970 Bond Resolution and the 1978 Bond Resolution reserve account letters of credit issued by The Bank of Nova Scotia acting through its San Juan Branch ("BNS") (each, a "BNS Reserve Account Letter of Credit" and, collectively, the "BNS Reserve Account Letters of Credit") in the respective amounts required by said resolutions. The scheduled expiration dates of the BNS Reserve Account Letters of Credit are July 15, 2011 and July 15, 2010, respectively. Among other things, the BNS Reserve Account Letters of Credit authorize drawings thereunder for the payment of any amount required to be paid out of moneys in the reserve account to which such BNS Reserve Account Letter of Credit relates after the withdrawal from the applicable reserve account of all cash and securities therein.

The obligations of the Authority under the reimbursement agreements between BNS and the Authority are not payable from the portion of the rentals received by the Authority in respect of the government facilities financed or refinanced with the proceeds of any Government Facilities Bonds and allocable to such Government Facilities Bonds.

No reserve account is established under the 1995 Bond Resolution.

In the near future, the Authority expects to issue bonds to restructure certain upcoming debt service payments. The Authority is also considering issuing bonds to repay and restructure outstanding debt with Government Development Bank.

Debt Service Requirements

Debt service requirements of the Authority for the bonds outstanding under the 1970, 1978 and 1995 Bond Resolutions (after the refunding of the Refunded Interest) and the Bonds as shown in the following table, consist in any fiscal year of the sum of the amounts required to pay (i) the interest that is payable on January 1 in such fiscal year and July 1 in the following fiscal year, (ii) the principal of serial bonds that is payable on July 1 in the following fiscal year, and (iii) the amortization requirements for term bonds that are payable on July 1 in the following fiscal year.

SUMMARY OF CERTAIN PROVISIONS OF THE 1995 BOND RESOLUTION

The following statements are brief summaries of certain provisions of the 1995 Bond Resolution. Such statements do not purport to be complete and reference is made to the 1995 Bond Resolution, copies of which are available for examination at the office of the 1995 Fiscal Agent. For the purposes of this summary, the terms "Bond" or "Bonds" shall refer to the Government Facilities Revenue Bond or Bonds.

Revenues

The Authority covenants that each Lease Agreement which it enters into for any government facilities financed or refinanced under the 1995 Bond Resolution ("Authority Facilities") will require the Lessee thereunder to pay rentals which in the aggregate will be sufficient to provide the sums needed from time to time to pay the interest on all Bonds issued by the Authority for the financing or refinancing of the Authority Facilities covered by such Lease Agreement, the principal of all such Bonds which are serial Bonds and the amortization requirements and redemption premium for any such Bonds which are term Bonds ("1995 Debt Service Rentals"). (Section 701). All 1995 Debt Service Rentals received from the leasing of Authority Facilities are pledged as hereinafter provided.

1995 Sinking Fund

A special fund is created by the 1995 Bond Resolution and designated "Puerto Rico Public Buildings Authority Government Facilities Revenue Bonds Sinking Fund" (the "1995 Sinking Fund"). Two separate accounts are created in the 1995 Sinking Fund, namely, the "1995 Bond Service Account" and the "1995 Redemption Account" (Section 502).

The Authority covenants that all 1995 Debt Service Rentals will be collected by the Authority and immediately deposited with the 1995 Fiscal Agent to the credit of the following accounts in the following order:

(1) To the 1995 Bond Service Account, such amount thereof as may be required to make the amount then to the credit of the 1995 Bond Service Account equal to the amount of interest then due and payable and the interest which will accrue up to the next interest payment date on all Bonds of each series then outstanding and the principal of all serial Bonds, if any, which will become due and payable within the next ensuing twelve months;

(2) To the 1995 Redemption Account, such amount of the balance remaining after making the deposit under paragraph (1) above as may be required to make the amounts so deposited in the then current fiscal year equal to the amortization requirements, if any, for such fiscal year for the term Bonds of each series then outstanding, plus the premium, if any, which would be payable on a like principal amount of Bonds if such principal amount of Bonds should be redeemed on the next redemption date from moneys in the 1995 Sinking Fund; and

(3) The balance, if any, shall be deposited to the credit of the 1995 Bond Service Account. (Section 502).

The requirements specified in paragraphs (1) and (2) above shall be cumulative. (Section 502).

1995 Redemption Account

Moneys in the 1995 Redemption Account shall be applied to the retirement of Bonds as follows:

(a) Subject to the provisions of paragraph (c) below, the 1995 Fiscal Agent shall endeavor to purchase outstanding Bonds, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to interest rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the holders of such Bonds if such Bonds should be called for redemption on such date from moneys in the 1995 Sinking Fund. The 1995 Fiscal Agent shall pay the interest accrued on such Bonds to the date of delivery thereof from the 1995 Bond Service Account and the purchase price from the 1995 Redemption Account, but no such purchase shall be contracted for within the period of 45 days next preceding any interest payment date on which such Bonds are subject to call for redemption under the provisions of the 1995 Bond Resolution.

(b) Subject to the provisions of paragraph (c) below, the 1995 Fiscal Agent shall call for redemption on each date on which Bonds are subject to redemption from moneys which are in the 1995 Sinking Fund on the 45th day prior to such redemption date such amount of Bonds then subject to redemption as, with the redemption premium, if any, will exhaust the 1995 Redemption Account as nearly as may be; provided, however, that not less than \$50,000 principal amount of Bonds shall be called for redemption at any one time. Such redemption shall be made in accordance with the provisions of the 1995 Bond Resolution. Not less than 30 days before the redemption date the 1995 Fiscal Agent shall withdraw from the 1995 Bond Service Account and from the 1995 Redemption Account and set aside in separate accounts the respective amounts required for paying the principal of and redemption premium, if any, and the interest on the Bonds so called for redemption.

(c) Moneys in the 1995 Redemption Account shall be applied by the 1995 Fiscal Agent in each fiscal year to the purchase or redemption of Bonds of each series then outstanding in the following order:

first, the term Bonds of each such series to the extent of the amortization requirement, if any, for such fiscal year for the term Bonds of each such series then outstanding plus the applicable

premium, if any; and if the amount available in such fiscal year shall not be equal thereto, then, in proportion to the amortization requirement, if any, for such fiscal year for the term Bonds of each such series then outstanding, plus the applicable premium, if any;

second, any balance then remaining shall be applied to the purchase of any Bonds whether or not such Bonds shall be subject to redemption in accordance with paragraph (a) above;

third, any balance then remaining shall be applied to the redemption of term Bonds of each such series in proportion to the amortization requirement, if any, for such fiscal year for the term Bonds of each such series then outstanding plus the applicable premium, if any; and

fourth, after the retirement of all term Bonds, any balance still remaining shall be applied to the retirement of the serial Bonds of each series in proportion to the aggregate principal amount of the serial Bonds of such series originally issued under the provisions of the 1995 Bond Resolution. (Section 504).

The term "Principal and Interest Requirement" for any fiscal year, as applied to the Bonds of any series under the 1995 Bond Resolution, shall mean the sum of:

(a) the amount required to pay the interest on all outstanding Bonds of such series which is payable after July 31 of such fiscal year and on or before July 31 in the following fiscal year;

(b) the amount required to pay the principal of all outstanding serial Bonds of such series which is payable after July 31 of such fiscal year and on or before July 31 in the following fiscal year; and

(c) the amortization requirement for the term Bonds of such Series for such fiscal year.

The following rules shall apply in determining the amount of the Principal and Interest Requirements for any period:

(i) in the case of Capital Appreciation Bonds, the Accreted Value becoming due at maturity or by virtue of an amortization requirement shall be included when due and payable as part of the principal or amortization requirements in accordance with the above provisions;

(ii) in the case of Capital Appreciation and Income Bonds, the Appreciated Value becoming due at maturity or by virtue of an amortization requirement shall be included when due and payable as part of principal or amortization requirements in accordance with the above provisions;

(iii) the interest rate on Bonds issued with a variable, adjustable, convertible or similar rate of interest shall be the average rate of interest per annum on such Bonds for the preceding twelve months or such shorter period that such Bonds shall have been outstanding, or if such Bonds had not been outstanding prior to the date of calculation, the rate of interest on such Bonds on the date of calculation;

(iv) in the case of Bonds which by their terms may be tendered at the option of the holder thereof for payment prior to maturity, the tender date or dates shall be ignored if the tender price for such Bonds is payable from a letter of credit or insurance policy or similar credit or liquidity facility and the stated dates for amortization requirements and principal payments shall be used; provided, however, that if on the date of calculation the issuer of the letter of credit or insurance policy or similar credit or liquidity facility has advanced funds thereunder and such amount has not been repaid, Principal and Interest Requirements shall include the repayment obligations thereof in accordance with the principal repayment schedule and interest rate or rates specified in (or specified in the agreement authorizing the issuance of) the letter of credit or insurance policy or similar credit or liquidity facility;

(v) in the case of Bonds the maturity of which may be extended by and at the option of the holder thereof or the Authority, the Bonds shall be deemed to mature on the later of the stated maturity date and the date to which such stated maturity date has been extended; and

(vi) in the case of Bonds (A) which are expected to be repaid from the proceeds of Bonds or other indebtedness or (B) on which interest is payable periodically and for which 25% or more of the principal amount matures during any one year and for which no amortization requirements have been established, the debt service requirements on the Bonds may be excluded and in lieu thereof the Bonds shall be treated, for purposes of the computation of Principal and Interest Requirements, as debt securities having a comparable federal tax status to that of such Bonds, maturing in substantially equal annual payments of principal and interest over a period of not more than thirty years from the date of issuance thereof, bearing interest at a fixed rate per annum equal to the average interest rate per annum for such debt securities on the date of issuance of the Bonds and issued by issuers having a credit rating, by Moody's or any successors thereto or Standard & Poor's or any successors thereto, comparable to that of the Authority, as shown by a certificate of an underwriting or investment banking firm experienced in marketing such securities. (Section 101).

Notwithstanding the foregoing, if the Authority has notified the 1995 Fiscal Agent that an interest rate swap agreement is in effect in respect of any Bonds, then for all purposes of the above paragraphs, except for the purpose of determining the required deposits to the 1995 Sinking Fund pursuant to Section 502 of the 1995 Bond Resolution, the interest rate on such Bonds shall be the interest rate calculated with reference to such interest rate swap agreement; and if such rate calculated with reference to such interest rate swap agreement is a variable rate, the interest rate on such Bonds (except for the purpose specified above in this sentence) shall be the average interest rate calculated with reference to such interest rate swap agreement for the preceding twelve months or such shorter period that the interest rate swap agreement has been in effect, or if such interest rate swap agreement had not been in effect prior to the dates of calculation, the interest rate calculated with reference to such interest rate swap agreement on the date of calculation. (Section 101).

1995 Construction Fund

The balance of proceeds of Bonds issued under Section 208 of the 1995 Bond Resolution available for payment of construction costs is required to be deposited to the credit of the Construction Fund under the 1995 Bond Resolution (the "1995 Construction Fund") and applied to the payment of the cost of the Initial Facilities, Additional Facilities, Improvements and uncompleted Facilities for which such Bonds were issued. Before any such Additional Bonds may be issued, there must be filed with the 1995 Fiscal Agent, among other things, a certificate signed by the Executive Director of the Authority stating that on the basis of all Lease Agreements or amendments or supplements thereto, as executed and delivered or as expected to be executed and delivered, the 1995 Debt Service Rentals, as calculated by the Authority will be sufficient and timely to pay the principal of; and the redemption premium, if any, and interest on, such Bonds and all Bonds then outstanding. (Section 208).

Refunding bonds, including crossover refunding bonds, may be issued by the Authority at any time or times for the purpose of providing funds for refunding at or prior to their maturity or maturities all or any part of (i) the outstanding Bonds of any series, or (ii) the outstanding debt of the Authority incurred to finance Authority Facilities as defined in the 1970 Bond Resolution or in the 1978 Bond Resolution, in either case including the payment of any

redemption premium prior thereto; provided that no such refunding bonds shall be issued unless under the then existing law such bonds may be specified by the Authority to be covered (as of the crossover date with respect to crossover refunding bonds) by the guaranty of the Commonwealth under the Guaranty Act and the Authority so specifies such refunding bonds by resolution. (Section 209).

General Covenants

The Authority covenants that it will not agree to any amendment, modification or termination of any Lease Agreements of any Authority Facilities (or exercise any right it may have to rescind the lease of any lessee of space in any Authority Facilities) which would reduce the amounts of rental payments below the amounts required by Section 701 of the 1995 Bond Resolution or postpone the times of making such rental payments or which would otherwise materially and adversely affect the security of the bondholders (Section 702), that it will not create or suffer to be created any lien or charge upon the Authority Facilities or any part thereof or upon the 1995 Debt Service Rentals therefrom, other than the liens and charges created or permitted under the 1995 Bond Resolution (Section 705), and that each Lease Agreement will provide that the obligation of the lessee to pay timely the required rentals thereunder shall be absolute and unconditional. (Section 709).

The Authority covenants that it will not dispose of or encumber any Authority Facilities, unless (a) the Authority determines that notwithstanding such disposition or encumbrance, total rents under each Lease Agreement will be sufficient to provide the sums required under Section 701 of the 1995 Bond Resolution, and (b) the Authority will receive as the price for any such disposition (but not an encumbrance), together with any other available moneys, the total amount of the 1995 Debt Service Rentals which would otherwise have been payable by the lessees of such Authority Facilities during the remaining term of the related Lease Agreements plus such additional amounts as will be necessary to pay the fees and expenses of the 1995 Fiscal Agent and all other expenses in connection with the application of the proceeds of such sale to the payment of the principal of and interest on outstanding Bonds issued by the Authority under the 1995 Bond Resolution including any redemption premiums. The proceeds of any such disposition (other than an encumbrance) shall be promptly deposited in the 1995 Redemption Account.

The Authority may also from time to time dispose of or encumber any fixtures or movable property in connection with the Authority Facilities or any materials used in connection therewith, if the Authority determines that such articles are no longer needed or useful in connection with the construction or operation or maintenance of the Authority Facilities and the proceeds thereof (other than an encumbrance) shall be applied to the replacement of the property so disposed of or at the option of the Authority shall be deposited to the credit of the 1995 Redemption Account. (Section 708).

Each Lease Agreement is required to provide that it may not be assigned or otherwise transferred in whole or in part by either party (unless the conditions set forth under the 1995 Bond Resolution for a termination of such Lease Agreement have been met), and will provide that all or any part of the Authority Facilities covered by such Agreement may be subleased as a whole or in part by the lessee if, among other things the following conditions have been met: (a) the sublessee under the sublease shall be a department, agency or instrumentality of the Commonwealth unless the Authority shall have obtained an opinion of nationally recognized bond counsel that such sublease will not cause interest on any Bonds to be includable in gross income of the owners thereof for federal income tax purposes (other than Bonds for which such interest is intended not to be excludable in gross income for such purposes); (b) such lessee shall acknowledge in writing that it shall continue to remain liable for the payment
